

Flag Day celebration at 'The Landings' on June 14th

The Batavia American Legion Post 504 Color Guard performed a Flag raising ceremony on Flag Day to celebrate the one-year installation of the flag pole. Sid Tobias & Bill Allen raised the flag and David Jordan played the bugle. Commander Irvin Brohammer talked with activity director and spoke after the flag raising to the residents who attended the event. Post 504 had introduced our annual **Gifts For Yanks** program to 'The Landings' staff in 2022 and distributed gifts to the Veterans that had moved into the new facility. At that time, we inquired if they were going to install a flag in the lobby for the event. Before you knew it, we were working with them to get a Flag Pole installed at their front entrance. On Flag Day 2023, we were part of their initial flag raising ceremony.
